| | PR | 53 | 55 | 55 | 62 |

| Previous Test Dates | Score | Anatomy and Physiology | Biology* | Chemistry** | Composite*** |
|---------------------|-------|------------------------|----------|-------------|--------------|
| May 8, 2025 | SS | 402 | 406 | 402 | 408 |
| | PR | 46 | 54 | 44 | 52 |
| January 25, 2025 | SS | 399 | 410 | 404 | 412 |
| | PR | 53 | 57 | 47 | 62 |
| October 4, 2024 | SS | 400 | 403 | 400 | 406 |
| | PR | 44 | 54 | 42 | 48 |

Scaled Scores (SS) range from 200 to 800 and are the total number of items answered correctly converted into a standardized scale to account for test form difficulty, allowing for more accurate and reliable comparisons.

Percentile Ranks (PR) indicate the percentage of test takers who earned a scaled score lower than a given score. The percentile ranks are updated to reflect all candidate results through the end of the month of the most recent exam.

Note: This report provides your official score, but it cannot be used as a substitute for the Official Transcript. For more information, refer to www.pa-cat.com

* Includes General Biology, Microbiology, and Genetics

** Includes General Chemistry, Organic Chemistry, and Biochemistry

*** Includes Anatomy and Physiology, General Biology, Microbiology, Genetics, General Chemistry, Organic Chemistry, Biochemistry, Behavioral Sciences, and Statistics
